D. Background Information about Sentara Community Complete's Network Pharmacies

This Directory lists the pharmacies that you may use to get your drugs. These are referred to as **network pharmacies** in this Directory. These network pharmacies are pharmacies that **participate in and accept** Sentara Community Complete and have agreed to provide drugs to you as a member of the plan.

Please contact Sentara Community Complete Member Services at 1-866-650-1274 (TTY: 711) or your Care Coordinator for assistance.

We also list pharmacies that are in our network but are outside the state of Virginia in which you live. You may also fill your prescriptions at these pharmacies. Please contact Sentara Community Complete at 1-866-650-1274 (TTY: 711), October 1 to March 31, 7 days per week, 8 a.m. to 8 p.m., and April 1 to September 30, Monday through Friday, 8 a.m. to 8 p.m. for additional information.

Sentara Community Complete members must use network pharmacies to get drugs except in emergency or urgent care situations.

- If you use an out-of-network pharmacy for prescriptions when it isn't an emergency, you'll have to pay out of pocket for the service.
- Read the Sentara Community Complete *Evidence of Coverage* for more information.

This Directory may not list all network pharmacies. We may have added or removed some network pharmacies from our plan after we published this Directory

For up-to-date information about Sentara Community Complete network pharmacies in your area, please visit our website at sentaramedicare.com or call Member Services at 1-866-650-1274 (TTY: 711), October 1 to March 31, 7 days per week, 8 a.m. to 8 p.m., and April 1 to September 30, Monday through Friday, 8 a.m. to 8 p.m. After business hours and on weekends and holidays our automated phone system will answer your call. The call is free. Members with alternative hearing or speech communication needs can dial 711 to reach a Telecommunications Relay Services (TRS) operator who can help you. Auxiliary aids and services are available upon request at no cost.

To get a complete description of your prescription coverage, including how to fill your prescriptions, please read the Evidence of Coverage and Sentara Community Complete's *List of Covered Drugs*. Both can be found by visiting sentaramedicare.com/documents.

D1. Types of pharmacies in Sentara Community Complete's network

Along with retail pharmacies, our plan's network of pharmacies includes:

- Mail-order pharmacies send covered drugs to members through the mail or shipping companies.
- Home infusion pharmacies prepare drugs that are given through a vein, within a muscle, or in another non-oral way by a trained provider in your home.
- Long-term care (LTC) pharmacies serve residents of long-term care facilities, such as nursing homes.
- Indian Health Service / Tribal / Urban Indian Health Program (I/T/U) Pharmacies.

You aren't required to continue using the same pharmacy to fill your prescriptions.

D2. Long-term supplies of prescriptions

1. Mail-Order Programs. We offer a mail-order program that allows you to get up to a 30 or 90-day supply of your drugs sent directly to your home. A 30 or 90-day supply has the same copay as a one-month supply.
2. 30 or 90-Day Retail Pharmacy Programs. Some retail pharmacies may also offer up to a 30 or 90-day supply of covered drugs. A 30 or 90-day supply has the same copay as a one-month supply.

- **If you have questions**, please call Sentara Community Complete at 1-866-650-1274 (TTY: 711), October 1 to March 31, 7 days per week, 8 a.m. to 8 p.m., and April 1 to September 30, Monday through Friday, 8 a.m. to 8 p.m. The call is free. **For more information**, visit sentaramedicare.com/members.
