B. Background Information about Sentara Community Complete's Network Providers

B1. Key terms

This section explains key terms in our Directory.

- **Providers** are professionals such as doctors, nurses, pharmacists, therapists, and other people who provide care and services. **Services** include medical care, Long-term Services and Supports (LTSS), supplies, drugs, equipment, and other services.
    - The term **providers** includes facilities such as hospitals, clinics, and other places that provide medical services and medical equipment. It also includes LTSS providers that you may use as a Sentara Community Complete member.
    - Providers that are a part of our plan's network are called **network providers**.
- **Network providers** have contracted with us to deliver services to members in our plan. Network providers participate in our plan. That means they accept members of our plan and provide services our plan covers. When you use a network provider, you usually pay nothing for covered services. Members who get Long-term Services and Supports (LTSS), including skilled and custodial nursing facility and CCC Plus Waiver Services, may have a monthly patient pay amount as determined by the Virginia Department of Social Services.
- A **Primary Care Provider** (PCP) is a family medicine, internal medicine, or geriatric medicine provider who gives you routine health care. Your PCP will keep your medical records and get to know your health needs over time.
- **Specialists** are doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:
    - Oncologists care for patients with cancer.
    - Cardiologists care for patients with heart conditions.
    - Orthopedists care for patients with certain bone, joint, or muscle conditions.
- You may need a **referral** or **prior authorization** for a specialist or someone that isn't your PCP. A **referral** means that your network PCP or your Care Team must give you approval before you can use the other provider. A **prior authorization** is different than a referral. It means that **Sentara Community Complete** (not your network PCP or Care Team) must give you approval **before** we'll cover a specific service, item, or drug or an out-of-network provider. If you don't get a referral or

prior authorization,
Sentara Community Complete may not cover the service, item, or drug.

- Referrals or prior authorization **aren't** needed for:
  - emergency care;
  - urgently needed care;
  - kidney dialysis services that you get at a Medicare-certified dialysis facility when you're outside the plan's service area; or
  - services from a women's health specialist.
- Additionally, if you're eligible to get services from Indian health providers, you may use these providers without a referral. We must pay the Indian health provider for those services even if they're out of our plan's network.
- More information on referrals and prior authorization is available in **Chapter 3** of the *Evidence of Coverage*.

- You'll also be assigned a Sentara Community Complete Care Coordinator and an Interdisciplinary Care Team (ICT) that you choose. Your Care Team works together to make sure your care is coordinated. This means that they make sure that you get all of the tests, labs, and other care that you need, and the results are shared with the appropriate providers. It also means that your PCP should know all medicines you take so that they can reduce any negative effects. Your PCP will always get your permission before sharing your medical information with other providers. Members of your Care Team may include:
  - A **Care Coordinator** that helps you manage your medical providers and services. Your Care Coordinator will work with you and with your providers to make sure you get the health care services you need. Your Care Coordinator collaborates with you and your ICT to create and carry out your plan of care based on your needs and your goals. Your Care Coordinator advocates for and helps you manage your health care needs and helps you access your benefits and services to keep you healthy.
  - Your **Primary Care Provider.**
  - Behavioral Health Specialist or Target Care Manager.
  - Social Worker or LMHP and/or Housing Specialist.
  - Member Outreach Coordinator.

- **If you have questions**, please call Sentara Community Complete at 1-866-650-1274 (TTY: 711), October 1 to March 31, 7 days per week, 8 a.m. to 8 p.m., and April 1 to September 30, Monday through Friday, 8 a.m. to 8 p.m. The call is free. **For more information**, visit sentaramedicare.com/members.

- Medical Director.
- Clinical Pharmacist.
- Providers.

Your Care Team will also help you find other providers of medical, behavioral health, or Long-term Services and Supports (LTSS) if you need a specialist or other health care provider. That way, you'll get the right provider to help you with your concerns

B2. Wait times for primary care and behavioral health

We must provide you with access to primary care and behavioral health services within the following timeframes:

- immediately for urgently needed services or an emergency;
- for behavioral health care (mental health and addiction treatment services), as quickly as your condition requires, but within no more than five business days from our decision that you meet coverage rules; or
- within seven days for services that aren't an emergency or urgently needed, but you require medical attention; or
- within 30 days for routine and preventative care.

B3. How to choose a Primary Care Provider (PCP)

First, you will need to choose a Primary Care Provider (PCP). You may choose a specialist, such as an internal medicine doctor or a gynecologist, as your PCP. If you need help choosing a PCP, please call our Member Services department. You can choose any PCP in our network who is accepting new members.

Our plan's PCPs are affiliated with medical groups. When you choose your PCP, you're also choosing the affiliated medical group. This means that your PCP will be referring you to specialists and services that are also affiliated with their medical group.

- If there's a particular specialist or hospital that you want to use, it's important to find out if they're affiliated with your PCP's medical group. You can look in this Directory or ask Sentara Community Complete's Member Services department to check if the PCP you want makes referrals to that specialist or uses that hospital.
- If you don't stay within your PCP's medical group, Sentara Community Complete may not cover the service.
- To choose a PCP, refer to the list of providers in **Section F1** and choose a provider:

If you have questions, please call Sentara Community Complete at 1-866-650-1274 (TTY: 711), October 1 to March 31, 7 days per week, 8 a.m. to 8 p.m., and April 1 to September 30, Monday through Friday, 8 a.m. to 8 p.m. The call is free. **For more information**, visit sentaramedicare.com/members.

  - that you use now, **or**
  - who has been recommended by someone you trust, **or**
  - whose offices are easy for you to get to.

- If you don't choose a PCP in our network, Sentara Community Complete will choose one for you.
- If you want help in choosing a PCP, please call Member Services at 1-866-650-1274 (TTY: 711), October 1 to March 31, 7 days per week, 8 a.m. to 8 p.m., and April 1 to September 30, Monday through Friday, 8 a.m. to 8 p.m. After business hours and on weekends and holidays our automated phone system will answer your call. The call is free. Or visit sentarahealthplans.com/findadoc. Members with alternative hearing or speech communication needs can dial 711 to reach a Telecommunications Relay Services (TRS) operator who can help you. Auxiliary aids and services are available upon request at no cost.
- If you have questions about whether any service or care that you want or need is covered, talk to your Care Team or call Member Services at 1-866-650-1274 (TTY:711) and ask **before** you get the service or care.

B4. Long-term Services and Supports (LTSS) providers

As a Sentara Community Complete member, you'll be able to get long-term services and supports (LTSS) if you need them, such as adult day health or personal care services. LTSS help people who need assistance to do everyday tasks like taking a bath, getting dressed, making food, and taking medicine. Most of these services are provided at your home or in your community but could be provided in a nursing home or hospital. LTSS is available to members who meet certain clinical and financial requirements.

Members may request a screening through their Local Department of Social Services (LDSS), Local Departments of Health (LDH), or hospital and nursing facilities. We contract with the Virginia Department of Health (VDH) and Department of Aging and Rehabilitation services (DARS), and hospitals to conduct screenings for individuals.

B5. How to access Sentara Community Complete's network providers

You must get all of your covered services from providers within our network. If you use providers who aren't in Sentara Community Complete's network **(without prior authorization), you may have to pay the bill.**

- **If you have questions**, please call Sentara Community Complete at 1-866-650-1274 (TTY: 711), October 1 to March 31, 7 days per week, 8 a.m. to 8 p.m., and April 1 to September 30, Monday through Friday, 8 a.m. to 8 p.m. The call is free. **For more information**, visit sentaramedicare.com/members.

> A **prior authorization, also called a service authorization in Cardinal Care,** is an approval from plan name to seek services outside of our network or to get services not routinely covered by our network **before** you get the services.

The exceptions to this rule are when you need urgent or emergency care or dialysis and can't get to a provider in the plan, such as when you're away from home. Sentara Community Complete also includes worldwide urgent or emergency coverage. You can also go outside the plan for other non-emergency services if Sentara Community Complete gives you permission first

- You may change providers within the network at any time during the year. If you've been using one network provider, you don't have to keep using that same provider.
- Sentara Community Complete works with all the providers in our network to accommodate the needs of people with disabilities. As applicable, the list of network providers in this Directory includes information about the accommodations they provide.
- If you need a provider and aren't sure if they offer the accommodations you need, Sentara Community Complete can help you. Talk to your Care Coordinator or Care Team for assistance.

If you have questions, please call Sentara Community Complete at 1-866-650-1274 (TTY: 711), October 1 to March 31, 7 days per week, 8 a.m. to 8 p.m., and April 1 to September 30, Monday through Friday, 8 a.m. to 8 p.m. The call is free. **For more information**, visit sentaramedicare.com/members.

C. Sentara Community Complete's List of Network Providers

This part of the Directory includes a list of Sentara Community Complete's network providers who participate in and accept Sentara Community Complete. It contains:

- **Health care professionals** including primary care providers, specialists, behavioral health providers;
- **Facilities** including hospitals, long-stay hospitals, nursing facilities, and behavioral health facilities; and
- **Support providers** including adult day services, respite, home health, and consumer directed services.

> **Cultural competence training** is additional instruction for our health care providers that helps them better understand your background, values, and beliefs to adapt services to meet your social, cultural, and language needs.

Providers are listed in alphabetical order by last name. You can also find the provider's name and the page where the provider's additional contact information is in the Index at the end of the Directory. Providers are listed in alphabetical order by last name in the Index. In addition to contact information, provider listings also include specialties and skills, such as languages spoken (including American Sign Language (ASL)) or completion of cultural competence training.
