Sentara Community Complete Select (HMO D-SNP)
2027 Pharmacy Directory

This pharmacy directory was updated on <MM/YYYY>. For more recent information or other questions, please contact us, Sentara Community Complete Select (HMO D-SNP) Member Services, at 1-800-927-6048 or, for TTY users, 711, October 1 to March 31, 7 days per week, 8 a.m. to 8 p.m., and from April 1 to September 30, Monday through Friday, 8 a.m. to 8 p.m. After business hours and on weekends and holidays our automated phone system will answer your call, or visit sentaramedicare.com/members.

Changes to our pharmacy network may occur during the benefit year. An updated Pharmacy Directory is located on our website at sentaramedicare.com/members. You may also call Member Services at 1-800-927-6048 (TTY/TDD users should call 711 for updated information).

Introduction: *This booklet provides a list of Sentara Community Complete Select's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Sentara Community Complete Select's formulary.*
When this pharmacy directory refers to "we," "us", or "our," it means Sentara Medicare. When it refers to "plan" or "our plan," it means Sentara Community Complete Select (HMO D-SNP).

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to plan enrollees. In most cases, your prescriptions are covered under Sentara Community Complete Select only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of applicable date. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

We also list pharmacies that are in our network but are outside the state of Virginia, the area in which you live. You may also fill your prescriptions at these pharmacies. For more information, please see the section in this directory on Network Pharmacies outside the geographic area or Member Services at 1-800-927-6048 (TTY: 711).

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact Sentara Community Complete Select.

Mail Order Pharmacy

You can get prescription drugs shipped to your home through our network mail order delivery program.

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program. Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill program, please contact us 14 days>before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please contact us by phone at 1-800-871-8754 (TTY: 711).

Typically, you should expect to receive your prescription drugs within 14 calendar days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at 1-800-871-8754 (TTY: 711).
