Welcome to Sentara Health Plans!
Commonwealth of Virginia and The Local Choice Plans

Benefits for Commonwealth of Virginia (COVA) and The Local Choice (TLC) members

Sentara Health Plans Vantage HMO for the Commonwealth of Virginia (COVA) and The Local Choice (TLC) members include a lower copayment for primary care and specialist care when members seek care through a specific list of physicians. These are noted as Tier 1 benefits for the COVA and TLC benefit plans.

This list of primary care and specialist providers is only applicable for lower copayments (Tier 1 benefits) according to the Sentara Health Plans benefit plan offered to Commonwealth of Virginia (COVA) members and The Local Choice (TLC) members

The physician list for COVA and TLC Tier 1 benefits includes credentialed physicians in the Sentara Quality Care Network (SQCN) as well as credentialed, in-network physicians within Riverside Health System and Tidewater Physicians Multispecialty Group (TPMG). SQCN is a Clinically Integrated Network (CIN) that includes not only Sentara Medical Group but also many other independent top-quality providers in the greater Hampton Roads area.

Members are not required to seek care with this list of physicians. This listing is a subset of a larger provider network included with the Sentara Health Plans Vantage HMO for COVA and TLC members. For a complete listing of all physicians, facilities, and ancillary providers in the Sentara Health Plans Vantage HMO network, please visit sentarahealthplans.com/cova.

Sentara Health Plans does not require a referral from a PCP to visit another doctor or specialist. However, your PCP can help coordinate your healthcare needs and serve as your first step to determine an illness or condition, offer methods of care, write prescriptions, and recommend specialists or facilities.

This directory is current as of the date listed on the cover; however, it does not guarantee that the provider is still in the network or accepting new members at the time of your visit. It is the member's responsibility to know which providers are participating Plan providers. The most current information regarding provider participation in the Sentara Health Plans Vantage HMO network is available on the dedicated website (sentarahealthplans.com/cova) or the Sentara Health Plans mobile app.

To find out the professional qualifications of most Plan physicians, please call 757-552-7200 or 1-800-736-8272, or visit our website at (sentarahealthplans.com). If you have any questions about your plan and your health benefits, please call member services at the number listed on the back of your member ID card.

SHP_CMV_MULTI_240001 COVA Provider Directory Intro

About the Selection Criteria for Providers

Sentara Health Plans selects providers based on specific criteria and credentialing requirements. All providers must have completed a comprehensive credentialing application and be approved by the Sentara Health Plans Credentialing Committee before being accepted into the network. The credentialing process consists of the review, verification, and evaluation of several criteria; including (but not limited to) education, specialized training, board certification, state license(s), malpractice history, and sanction records. Providers with a felony conviction and/or sanction(s) by Federal government agencies are not accepted into the Sentara Health Plans Network. Providers are re-evaluated every three years.

The Sentara Health Plans credentialing process exceeds the requirements of the National Committee for Quality Assurance (NCQA) and the Commonwealth of Virginia quality measures for credentialing.

No member experience or cost-related measures are used in the provider selection process.

Footnotes

The following footnotes are used throughout this directory:

1. Not accepting new patients; will continue to provide services for current patients, spouses, and siblings switching plans. Note, if you have not seen the provider within 24 months, you may not be considered an existing patient.
2. Not accepting new patients or current patients switching plans.
3. Not accepting new patients; accepting newborns and siblings.
4. Age restriction; call physician for authorization.
- 6 Accepting a limited number of patients; contact member services to confirm that a member may be added.
