D. Background Information about Sentara Community Complete's Network Pharmacies

This Directory lists the pharmacies that you may use to get your prescription drugs. These are referred to as **network pharmacies** in this Directory. These network pharmacies are pharmacies that **participate in and accept** Sentara Community Complete and have agreed to provide prescription drugs to you as a member of the plan.

Please contact Sentara Community Complete's Member Services at 1-866-650-1274 (TTY: 711) or your Care Coordinator for assistance.

Sentara Community Complete members must use network pharmacies to get prescription drugs except in emergency or urgent care situations.

- If you use an out-of-network pharmacy for prescriptions when it is not an emergency, you will have to pay out of pocket for the service.
- Read the Sentara Community Complete *Evidence of Coverage* for more information.

This Directory may not list all network pharmacies. We may have added or removed some network pharmacies from our plan after we published this Directory.

For up-to-date information about Sentara Community Complete network pharmacies in your area, please visit our website at sentaramedicare.com or call Member Services at 1-866-650-1274 (TTY:711), October 1 to March 31, 7 days per week, 8 a.m. to 8 p.m., and from April 1 to September 30, Monday through Friday, 8 a.m. to 8 p.m. After business hours and on weekends and holidays our automated phone system will answer your call. The call is free. Members with alternative hearing or speech communication needs can dial 711 to reach a Telecommunications Relay Services (TRS) operator who can help you. Auxiliary aids and services are available upon request at no cost. Visit us online anytime at sentarahealthplans.com.

To get a complete description of your prescription coverage, including how to fill your prescriptions, please read the *Evidence of Coverage* and Sentara Community Complete's *List of Covered Drugs*. You may also visit the plan's website at sentaramedicare.com or call Sentara Medicare Member Services to find out if a particular drug is on the plan's "Drug List" or to ask for a copy of the list. You may also use the plan's "Real-Time Benefit Tool" at sentaramedicare.com or by calling Member Services. With this tool you can search for drugs on the "Drug List" to see an estimate of what you will pay and if there are alternative drugs on the "Drug List" that could treat the same condition.

D1. Types of pharmacies in Sentara Community Complete's network

Along with retail pharmacies, your plan's network of pharmacies includes:

- Mail-order pharmacies send covered prescription drugs to members through the mail or shipping companies.
- Home infusion pharmacies prepare prescription drugs that are given through a vein, within a muscle, or in another non-oral way by a trained provider in your home.
- Long-term care (LTC) pharmacies serve residents of long-term care facilities, such as nursing homes.
- Indian Health Service / Tribal / Urban Indian Health Program (I/T/U) Pharmacies.

You are not required to continue using the same pharmacy to fill your prescriptions.

D2. Long-Term supplies of prescriptions

- Mail-Order Programs. We offer a mail-order program that allows you to get up to a 90-day supply of your prescription drugs sent directly to your home. A 90-day supply has the same copay as a one-month supply.
- 90-Day Retail Pharmacy Programs. Some retail pharmacies may also offer up to a 90-day supply of covered prescription drugs. A 90-day supply has the same copay as a one-month supply.

E. Sentara Community Complete's List of Network Pharmacies

E2. Mail-order pharmacy(ies)

You can get prescription drugs shipped to your home through our network mail-order delivery program which is called Express Scripts®. For refills of drugs, you have the option to sign up for an automatic refill program. Under this program, we will start to process your next refill automatically when our records show you should be close to running out of your drug. The pharmacy will contact you prior to shipping each refill to make sure you need more medication, and you can cancel the scheduled refills if you have enough of your medication or if your medication has changed.

You also have the choice to sign up for automated mail-order delivery through Express Scripts. Typically, you should expect to get your prescription drugs within 14 days from the time that the mail-order pharmacy gets the order. If you do not get your prescription drug(s) within this time, you would like to cancel an automatic order, or if you need to ask for a refund for prescriptions you got that you did not want or need, please contact us at 1-800-871-8754 (TTY: 711), 24 hours per day, 7 days per week. To learn more about mail-order pharmacies, refer to Chapter 5 of the *Evidence of Coverage*.

E4. Long-term care pharmacies

Residents of a long-term care facility, such as a nursing home, may access their prescription drugs covered under Sentara Community Complete through the facility's pharmacy or another network pharmacy. To learn more about drug coverage in special cases, refer to **Chapter 5** of the *Evidence of Coverage*.

Check below to find out if your LTC facility's pharmacy or the one that it uses is part of our network. If it isn't, or if you need more information or assistance, please contact Member Services. Our long-term care pharmacies service all counties in the plan service area.
