Introduction

This booklet provides a list of Tufts Medicare Preferred HMO's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Tufts Medicare Preferred HMO's formulary.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to plan enrollees. In most cases, your prescriptions are covered under Tufts Medicare Preferred HMO only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of the date in the footer located at the bottom of each page. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost sharing. We have marked these pharmacies with "PRF" to distinguish them from other pharmacies in our network that offer standard cost sharing.

You can get this information for free in other formats, such as large print, Braille or audio. Call our toll-free number at 1-800-701-9000.

This document is available for free in Spanish.

Your request for the Pharmacy Directory in an accessible format will be applied on a standing basis unless you request otherwise.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this Pharmacy Directory.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

The Tufts Medicare Preferred HMO Pharmacy Directory divides pharmacies into several sections to allow you the flexibility to search for information in the way that suits your needs:

- Retail pharmacies, including chain pharmacies
- Mail order pharmacies
- Home infusion pharmacies
- Long-term care pharmacies

Within each section, the pharmacies are listed in alphabetical order by city/town.

Mail Order Pharmacies

You can get prescription drugs shipped to your home through our network mail order delivery program. For refills of your mail order prescriptions, please contact us 14 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. Typically, you should expect to receive your prescription drugs within 7 calendar days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please call our Member Services number at **1-800-701-9000** (TTY: 711).
